PARENT CIRCULAR 3/2015

LEARNER CONDUCT

Dear Parents

As you are aware, the new Governing Body was recently elected. One of the issues we will be concentrating on is learner discipline. This includes the following:

- Learner behaviour in class.
- Non-attendance of classes ("bunking of classes").
- Leaving the school premises during school hours without permission.
- The possession, consumption and or sale of alcohol or narcotics – for this purpose random searches may be conducted which may include personnel from the district office, SAPS and Metro Police. Random urine tests may also be conducted to determine drug usage.
- Behaviour of learners while off the school premises but still in school uniform, e.g. on public transport or in shopping centres.

As the governing body we trust that we will receive your support in this endeavour as it is in the interest of each learner at Pro Arte and also in the interest of upholding the name and standing of the school in the community.

BRUCE DAVENPORT
CHAIRMAN: SCHOOL GOVERNING BODY

J GÜLDENPFENNIG
