**INFORMATION TO COMPLETE THIS FORM (T01)**

1. This form should be completed for INITIAL subject choices only, NOT for subject package changes. New learners in Grade 10, 11 or 12 and current learners in Grade 9 use this form for subject choices. Subject package changes should be made by completing form T02 (available from the administration office).
2. Select only the required number of subjects per group, no more.
  - a. ONE Focus Area subject from Group B.
  - b. TWO choice subjects from Group C.
  - c. PREFERENCE between Mathematics and Mathematical Literacy in Group A.
3. Only learners who have achieved 50% or above in Mathematics in Term 2 or Term 4 (i.e. examination terms) will be allowed to take Mathematics.
4. Subjects from Group B (the Focus Area subjects) require an audition and/or placement test. This rule applies to current as well as prospective learners. The HOD of the Focus Area must sign the form to attest that the learner has passed the audition and/or placement test.
5. Application to take an 8<sup>th</sup>/non-timetable subject outside the normal school timetable should be made on form T03 (available from the administration office).
6. Immigrant learners who qualify for offering only one official language (at Pro Arte Alphen Park, English Home Language) will take French Second Additional Language to complete their NSC package. Arrangements in this regard must be made with the Deputy Principal for academic matters as well as the timetable committee by completing form T06, available from the administration office.
7. Parents/Guardians should be aware that certain subject choices may not be possible each year because of minimum class size requirements or timetable combination clashes.
8. For Grade 9 subject choices, this form must be returned to the learner’s register teacher on or before \_\_\_\_\_. No late submissions will be accepted.
